

## Declaration to Cease and Desist

Herewith declares

RWE Power AG, Huyssenallee 2, D-45128 Essen,

(in the following: the delinquent)

against

the global climate and social communities of the planet

(in the following: the creditor)

The delinquent take notices that the creditors issue an unlimited ban to exploit coal on all surfaces and subsoils of this planet. Each infringement will be met with rising sea levels, floodings, hurricanes and other natural catastrophes.

Moreover, the delinquent pledges to desist from the following activities (and in any case of infringement the respective court will find on behalf of the creditor an appropriate contractual penalty)

- to destroy social communities and ecosystems of Planet Earth
- to harm villages and the local nature with the exploitation of coal
- to damage the health of human beings with open-cast mines and by burning lignite
- to push forward climate change through immense greenhouse gas emissions
- to cooperate on global level with companies are also involved in similar extractive activities.
